Entry - \$10.00

To win the jackpot, you must have played the mid 50 option and run a 50 straight in the middle 50. If there are no 50 straights, 25% of the entry fees from that day will go to the high score in the middle 50 jackpot entrants for that day. The remainder of that day's proceeds is added to the jackpot which carries over to the next handicap event at the MA State Shoot or MATA Labor Day Shoot until there is a 50-straight. The starting Middle 50 jackpot balance is currently \$4,027.50. All ties divide.

Each Bank will have a limited number of squads assigned to it.
When a bank is full, it is FULL. Shooters who prefer a specific bank, squad, or shooting time are urged to presquad using SOSClays.com

TWO BOXES OF SHELLS TO THE LINE SYSTEM

This system requires shooters to bring **two full boxes** of shells to the line on each trap so no time is wasted going back to the gun rack. CLASSIFICATION

Classification will be based on the last 700 targets, total average or known ability whichever is higher. The MA ATA Delegate is chairman of the Classification Committee. It is the shooter's responsibility to see that their ATA average card is correct and up-to-date. Falsified cards submitted will result in disqualification. It is the shooters responsibility to make category **declaration** when classified. **Massachusetts residents must show their ATA card with current MATA decal at time of classification.**

NOTE: A win or tie for any *class* or *high gun* trophy in any 16-yard or doubles event will result in moving up one class.

PENALTY

Shooters must have at least 700 singles, 700 handicap and 300 doubles in the current and previous target year combined to avoid penalty classification or yardage. Targets shot on Thursday and Friday may be applied toward meeting target requirements. It is the shooter's responsibility to notify the classification committee of meeting target requirements.
